RE: Lower Jordan River Distribution System Meeting for 2012

Dear Fred,

Enclosed is a copy of our proposed schedule for the 2012 annual distribution meetings.

We would like to hold the meeting for your distribution system on Thursday, January 26, 2012, at 1:00 pm. We hope that by scheduling the meetings this far in advance we will be able to avoid any conflict with your schedule.

**At the meeting the water users will need to recommend that the State Engineer re-appoint Lane Jensen to a new four-year term. As you know he resigned this year with the expectation of being re-appointed. This process is being done to allow him to become eligible for the state's retirement system.**

If you have any questions or if there is a serious conflict with the proposed schedule for your meetings, please contact me and we will see what we can work out. I can be contacted by phone at (801) 538-7380 or by email at [jaredmanning@utah.gov](mailto:jaredmanning@utah.gov). Our meeting schedule will be finalized and we will start making meeting place arrangements towards the middle of December, so I need to know as soon as possible if there is a problem with your scheduled meeting date and time.

Thanks for your help.

Sincerely,

Jared Manning, P.E.  
Assistant State Engineer for Distribution

cc: Regional Engineer
